

RISK ENGINEERING SERVICES FOR SPECIALTY PROGRAMS BUSINESS

MANAGE YOUR BUSINESS RISK EVEN BETTER WITH SPECIALTY PROGRAMS FROM THE HARTFORD.

MANAGE RISK EVEN BETTER

The Hartford can help you:

- Prevent accidents
- Improve productivity
- Lower losses
- Achieve results that drive financial success

Whether you have multiple locations across the country or have one facility, your business has specialized risks. The Hartford Specialty Programs can help you manage those risks even better. With our technical know-how, geographic capability and expertise, we can handle a wide variety of hazards. We understand the specialized needs of our customers and can provide a tailored approach to help eliminate exposures and reduce risk.

TOP 6 REASONS TO CHOOSE THE HARTFORD SPECIALTY PROGRAMS

1. A dedicated risk engineering resource

Located within our Specialty Programs division, this person can provide consultation to assist both you and your agent.

2. Professionally trained staff

We have highly experienced and educated field staff, backed by technical specialists and resources in our Hartford, Connecticut headquarters. Our professional staff can provide results-oriented, risk management consulting at your location.

Prepare. Protect. Prevail.®

continued

3. Training programs

As a customer of The Hartford, you'll have access to our training offerings, either on-site at your location or online at THEHARTFORD.COM/RISKENGINEERING. We offer live and on-demand webinars and podcasts, technical training workshops, and on-site specific training. Our most popular training offerings include:

- Construction (OSHA 10-Hour and 30-Hour Training)
- 3D Driver Education
- Supervisory/Leadership Training
- Business Continuity Management
- Industrial Hygiene
- Property and Fire Protection
- Ergonomics
- Accident Investigations

4. Technical information

Through our website, we offer technical information and discounts with our various partners to assist you in your safety efforts. You can search by industry or exposure and send in a question to our online answer service.

5. An AIHA-Accredited Industrial Hygiene Laboratory

Our lab is a key component to understanding your exposures. It is certified to ISO 17025 standards and staffed by Certified Industrial Hygienists.

6. Commitment to building lasting relationships with our customers

That's why we offer:

- Consultative support to risk managers
- Training for your supervisors to help make safety a natural part of everyday business

Let us show you how our Specialty Programs and Risk Engineering services can help you manage risk even better.
