Arrowhead's Commercial Division Adds New Standard to Specialty Contractors Package Program

Arrowhead's Commercial Division is pleased to introduce the New Standard. This is an ISO Standard Occurrence Coverage form offered as an additional option to our existing Classic coverage, which is an ISO Standard Occurrence form with a Manifestation Endorsement.

Highlights of the New Standard program include:

- No Manifestation Endorsement
- No Sunset Clause
- Does not include a prior acts exclusion
- Matching eligibility of classes to the "Classic"

The "New Standard" is available for new and renewal business effective September 1, 2006 and later. For more information, contact Keith Donsky at 800.903.5489 x8426 or Carrie Allen at x8439.
