

OVERVIEW:

This position represents Arrowhead General Insurance Agency to insurance brokers/agents as the Territory Manager within an assigned territory. Responsibilities include encouraging sales production through producer visits, product training and technical demonstrations of Arrowhead Exchange. Provide claims/customer services and underwriting training, manage production commitments and loss ratios to develop and maintain profitable books of business for both AGIA and its carriers.

The Territory Manager is part of a territory team, where they will be working closely with the internal teammates to help manage all producers in the territories assigned and participate in team meetings. The goal is to build relationships, determine producers' true potential, cross sell available programs and increase producer production to achieve production goals for assigned territory.

If you want to be part of a solid organization that is energetic and growing, contact us today.

This position will be located in the Western suburb of Chicago.
