

Targeted Classes of Business 2022

CENTRAL TERRITORY

Committed to the small-to-medium commercial market, Core Commercial delivers innovative risk management products and services with our BOP and Package (for more complex risks).

 Accounts under \$100,000 in annual premium

 Very broad range of SIC/industry segments

Our most successful targeted classes:

- Artisan commercial contractors (excluding new residential) *
- Residential service contractors *
- Medical offices
- Professional services
- Hotels (Best in class; newer building ages)**
- Condo associations (<\$10 million TIV - newer than 20 years)*
- LROs (retail and office preferred)*

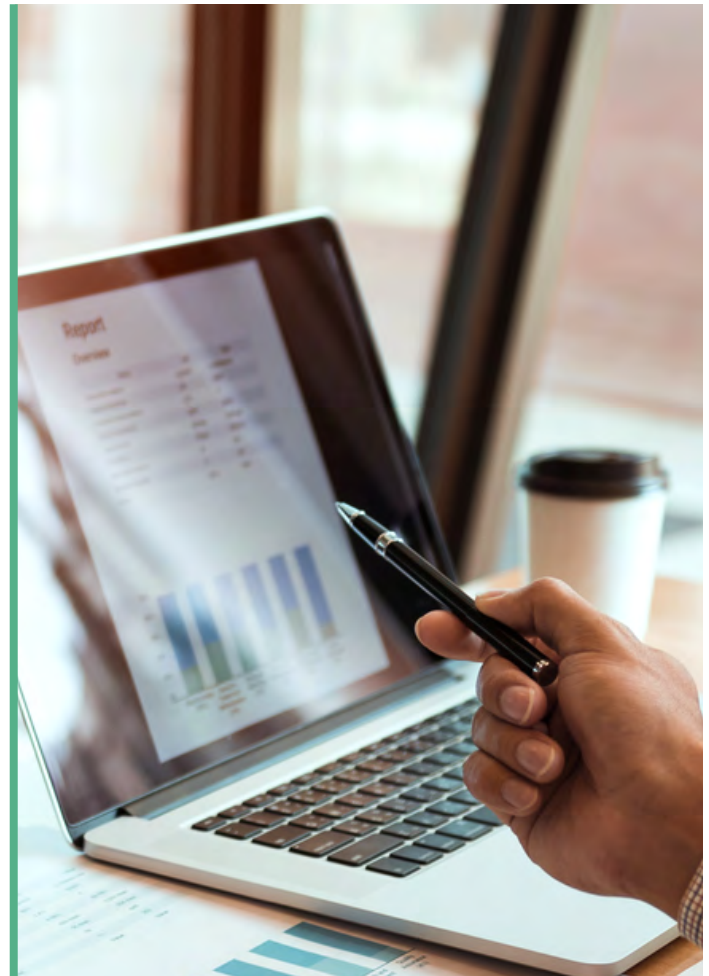

Reduced BOP rates in your area PLUS significantly increased pricing flexibility! Credits vary by state and are not available in all states, so contact your business development professional for details.

*Contact your underwriter for eligibility & local CAT restrictions

**Hotels are written on our comprehensive Advantage Package. Please send submissions to CoreNewBusiness@ArrowheadGRP.com

If we accept the BOP or Package, we'll consider:

- Automobile
- Workers' Compensation (18% commission)
- Umbrella
- Inland Marine

Watch your revenue soar!

- Competitive commission levels
- BOP 18%
- Workers' Compensation 18% (first \$25,000)*
- Package, Auto & Umbrella 15%
- Rewarding Profit Sharing plans

*Commissions vary by state. Contact your Business Development Specialist or Underwriter for details.
